Curbell Plastics, Inc. Releases New Tapes and Fabrics Literature

Orchard Park, N.Y. (January 8, 2009) - Curbell Plastics, Inc. is pleased to announce the release of its new tapes and fabrics literature.

The new literature was developed to provide Curbell's sales force with additional tools to sell tapes and fabrics into existing markets. The pieces give customers information about the products Curbell supplies, in addition to plastics, that can help support their business.

Four separate booklets were designed that cover the major categories of tape that Curbell offers: PTFE Tapes and Fabrics, UHMW Tapes, Plasma Spray Tapes, and Polyimide Tapes. In addition to technical specifications and availability the booklets also contain sample swatches of the most common tapes.

To request copies of the Curbell tapes sample literature please visit www.curbellplastics.com. To speak with a Curbell representative locally, dial toll-free 1.888.CURBELL (1.888.287.2355).

Curbell Plastics supplies hundreds of plastic products to serve key industries throughout the United States and Canada from locations nationwide. It has evolved into one of the nation's largest suppliers of plastic sheet, rod, tube, films, adhesives, sealants, tapes, prototyping materials, and fabricated parts. Curbell Plastics, Inc. is a subsidiary of Curbell, Inc., a privately-held business headquartered in Orchard Park, NY. Curbell, Inc. the parent company, established in 1942, employs more than 400 nationwide. Serving its customers for more than sixty-five years, Curbell is a progressive organization driven by strong values with a proud Dun & Bradstreet credit rating of a 4A1.
