- Easy to bond with adhesives and solvent cements
- Easy to thermoform
- Easy to print and paint
- Impact modified grades

Plastic Materials to Fulfill Your Needs

Curbell Plastics has an extensive inventory of plastic sheet, rod, tube, and film for the point-of-purchase display market. We recognize that display fabricators need clean, visually appealing, competitively priced materials that will process well and create the finest possible retail display.

Curbell supplies materials for all types of display fabrication including sawing, routing, die-cutting, vacuum forming, solvent cementing, heat bending, and screen printing. Our CNC panel saws allow us to offer tight tolerance cut-to-size pieces, which saves time on the manufacturing floor. In addition to our plastic materials, Curbell has a full line of assembly tapes and adhesives for display fabrication.
