

# Polystone® Cut-Rite

## Food Preparation Cutting Boards

Polystone® Cut-Rite is a high-density polyethylene sheet designed for commercial and consumer food cutting board applications. The textured matte finish on both sides prevents the knife from slipping and will not dull the blade.

### Characteristics

- No moisture or bacteria absorption
- Easy to clean and dishwasher safe
- Will not break, crack or splinter
- Stress-relieved and flat
- Will not dull knife blades
- Resists most acids

### Specifications

Meets FDA and USDA requirements for food contact

### Sheets

1/4" - 1" x 48" x 96"

1/4" - 1" x 48" x 120"

1/4" - 1" x 60" x 120"

Custom sizes and completely machined cutting boards available upon request

### Standard Color

Natural white, also available in red, blue, tan, green, yellow and various other custom colors
