

SINTRA®

THE FOAMED PVC FAMILY

- **NEW! Sintra® Eclipse** is the latest addition to the Sintra® family of products designed for enhanced printing capabilities on black Sintra®.
- **Sintra®** has been the industry's leading PVC board for more than 20+ years. It is comprised of moderately expanded closed-cell polyvinyl chloride (PVC) in a homogeneous sheet with a low-gloss matte finish.
- **e-pvc™** is a low-density, lighter, and less rigid expanded PVC board.

WHY CHOOSE SINTRA® Eclipse?

- **NEW!** Sintra® Eclipse is specially engineered with a Pro surface that allows for superior printing capabilities with black Sintra®
- **NEW!** Eliminates the need for laminating or flood coating
- Maintains fabrication and characteristics of standard Sintra

WHY CHOOSE SINTRA®?

- Sintra® Bright White is now the brightest and whitest PVC board on the market
- The trusted brand leader by which all others are measured
- Lightweight yet rigid and durable
- Ease of machinability
- Easily formed into just about any shape imaginable using wood and foam board fabrication techniques
- Heat formable and chemical resistant
- Superior dent and scratch resistance

WHY CHOOSE E-PVC™?

- PVC alternative for less-demanding, flat applications
- Made in the USA
