

TIMBERLINE®

Patent Pending

IS EVEN MORE VERSATILE.

VYCOM® is excited to introduce the new Solid Color Collection to the TIMBERLINE® family: Aspen, Elm, Coastal Grey, Maple, Kona, Hickory, and Ironwood! With 7 new color options, TIMBERLINE offers flexibility and design versatility coupled with an authentic woodgrain look. Whichever way you cut it (or heat shape it!), our exciting range of natural colors takes your demanding indoor and outdoor builds to the next level.

For natural beauty with endless possibilities, you can't beat TIMBERLINE.

Authentic Wood Look

Beauty without the maintenance & upkeep

Long-Lasting Performance

Superior weatherability, colorfastness & durability when compared to traditional materials

Easy to Shape & Versatile

Ability to be fabricated using standard woodworking tools
