

Perfect for custom stencil  
& template creation.

# Introducing

**Lucent, a versatile, easy-to use sheet material ideal for creating custom stencils and templates as well as educational and promotional tools. The opportunities for this product are unlimited, just add your creativity and imagination.**

Lucent is the smart choice for crafters, educators and professionals looking for a sheet material to fabricate custom stencils, tracing templates, patterns or scrapbooking tools. This material can be used with a variety of acrylic paints that are spray or brush-on and can be used for material for traffic and pavement-marking stencils.

This single-ply product is available in a durable matte finish in .025" thickness, and features exceptional durability and integrity for applications that require a tough product.

Available in translucent clear and six translucent colors to meet your needs, Lucent laser cuts easily to create a clean, smooth finished edge. Add a splash of color or personalization with screen, pad or UV-LED printing to create the ultimate finished product.
